

How to apply for your first test.

Applying for your RoSPA test:- www.roadar.org.uk is the driving/riding website for RoSPA so don't be put off by the website name.

Go to www.roadar.org.uk

On the righthand side of the home page click in the box marked 'Applications'.

You see eight pictures - select - Drivers and Riders Initial Test.

For the question - "Where did you receive your training?" - just put RoSPA Advanced Drivers and Riders Cornwall.

For preferred location – it's up to you - but we suggest you put the largest town in the area in which you have done most of your training.

Leave the 'promotional code' blank unless advised otherwise by your tutor.

Then follow the payment instructions.

You are most likely to be contacted by Simon Lord (RoSPA Examiner) via email, but if you live in East Cornwall it could be someone else. In the first contact he may not offer you a date for your test but will come back to you once he has looked at his work rota and availability.
